

Book Club: Character Analysis Activity

Title: _____

Name: _____

Date: _____

Directions: When you read about a character in a book, you often make a choice about what type of person they are. We call this **inferring**. Choose a character and decide a personality trait or characteristic demonstrated by that character's words or actions. Find evidence (quotes or a paraphrase) to support those characteristics. Include the page numbers of where you found supporting evidence in the book.

Character:		Page # and 2 Supporting Examples showing evidence for the personality trait.
Trait:		1) page #
		2) page #
